

## Review a product

Tell us what you think! Reviewing a product is a great way of sharing what's good and what's not so good with the community. Your review could be the difference in someone deciding which technology is right for them.

### How to review a product

1. Go to the page of the product you want to review on [techfinder.org.au](http://techfinder.org.au) e.g OpenAccess Tours
2. Click on "Add your review" at the top of the page, or fill in the fields under "Add your review" at the bottom of the page
3. Enter your name and email address.
4. Click on the stars to give your rating,
5. Type your review in the "Add your review" field
6. Answer the captcha question.
7. When you have finished, click "Submit". And you're done, thanks!

*Note: A moderator checks all product reviews when submitted. If your review is considered inappropriate or offensive, the moderator has the right to edit or remove your review.*
