

OpenAccess Tours

Details:

Lots of cultural venues have audio guides, but for many people these guides aren't in accessible formats.

OpenAccess Tours is a free app that allows you to download accessible information from different museums and galleries all around Australia. The app gives you the choice to access content in Auslan, audio with captions, audio description and in multiple languages.

Type: App

Website: <http://www.conexu.com.au/services-projects/openaccess-tours>
