

How to submit a product review

1. Go to the page of the product you want to review on Techfinder.org.au
2. Click on “Add my review” at the top of the product page, or fill in the fields under “Review this product” at the end of the product page
3. Enter your name and email address
4. Click on the stars to give your rating
5. Type your review in the “Add your review” field
6. When you have finished, click “Submit your review”

Note: A moderator checks all product reviews when submitted. If your review is considered inappropriate or offensive, the moderator has the right to edit or remove your review.

We're looking forward to reading your reviews!
